The “Logged Hours” page gives you access to all of the hours logged by your tutors for your children. Here you get a transparent view of how you will be billed for the week, and you get the chance to dispute hours if something isn’t right.

- The “[Invoices](#)” page will give you a view of all of your invoices with a link to pay them. Viewing the invoice will bring you to an external service for payment, so none of your payment information is saved!

6. The “[Monthly Reports](#)” page will contain monthly reports submitted by our tutors to your children. This is a part of our goal of increasing transparency between tutors and parents.

7. Finally, the settings paged, accessed via the profile dropdown, will contain all of your basic settings. Here you can change your basic information, modify your notifications, as well as view your student accounts. It is on this page where you can send a referral to a family or friend for a 65\$ discount on your next invoice.
